Subject: Update - Oilspill in Lytle
Date: Monday, May 30, 2016 10:21:51 AM

UPDATE REPORT – 0950

Operator: RPG Operating LLC (732193)
 Lease: Keller (17413)
 Field: Chicon Lake
 County: Medina

Flowsect resumed cleanup operations today with 12 men on ground. They will be concentrating on the residents yards with environmental soap washing. They will also be working in the irrigation canal. They have 2 trucks sucking up waste material and 2 trucks washing. They will bring a tractor to mow grass areas. Washing will continue throughout the day. The plan going forward is to continue cleanup operations for about a week.
